Washington, DC 20590

To Whom It May Concern,

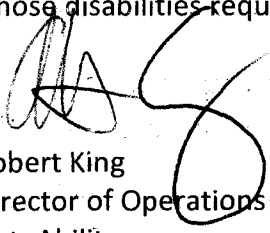

In accordance with CFR.49, Part 566, let this letter serve as notification that AutoAbility is a **Final Stage Manufacturer** as defined in CFR 49, Part 568 (Vehicles Manufactured in Two or More Stages) when the subject vehicle is supplied from the manufacturer or their dealer network as an incomplete vehicle with an Incomplete Vehicle Document.

Also, AutoAbility is an **Alterer** as defined in CFR, Part 568 when the vehicle is supplied from the manufacturer or their dealer network as a complete vehicle.

Clarkston Motors, Inc. d/b/a AutoAbility
8105 Big Lake Road
PO Box 1015
Clarkston, Michigan, USA 48347-1015

Vehicles completed or altered are **Multipurpose Passenger Vehicles** with **GVWR of 2500KG (5500#) to 3000KG (6600#)**

Additions are a rear-entry dropped floor and ramp system to allow transportation of individuals whose disabilities require use of a wheelchair.
